Dear Fellow Community Member,

Live United.

Two simple words – packed with meaning!

Living united is about the power of unity. It is a constant reminder that when we as individuals think outside ourselves, we have the power to facilitate change. When we reach out a hand to one, we influence the condition of all.

During the next weeks, you will be hearing a great deal about our United Way and how it works with 23 partner agencies to ensure a community infrastructure that focuses on:

- ▶ a quality education that leads to a stable job
- ▶ income that supports a family through retirement,
- ▶ and good health.

We are inviting you to join us in working together to be a part of lasting change in Oxford and vicinity. We thank you for Living United by supporting our United Way.

Together, we can do more than we can do alone!
